

XVI European Poultry Conference

VALENCIA, SPAIN 24th-28th June 2024

<https://epc2024.com/>

WELCOME LETTER

Dear partners and sponsors,

On behalf of the Local Organizing Committee and the Spanish Branch of WPSA, I have the pleasure to invite you to participate in the XVI European Poultry Conference (EPC) to be held at the Palacio de Congresos in Valencia (Spain) from 24 to 28 June 2024, where more than 1,400 delegates from all over the world are expected to attend.

We are convinced that being a sponsor and partner of this congress will allow you to have contact with the international poultry sector, as well as to obtain new information in all branches of science, practical application of new techniques and processes, which will translate into a direct impact of conferences and debates with leading scientists in many areas of poultry activity. It will also allow you to showcase your products and business innovations with the attendees and specialists we expect to have.

Spain is one of the largest producers of poultry meat and eggs products; there were 21,683 poultry farms in 2021, according to data from the Spanish Ministry of Agriculture. In the same year 2021, the Spanish poultry industry produced 1.63 million tonnes of poultry meat (3rd largest producer in the EU), and 13.6 billion eggs (3rd largest producer in the EU).

In 2021, the combined value of poultry production exceeded €3.6 billion, accounting for 17.15% of the country's final livestock production (12.2% corresponds to the poultry meat sector and 4.95% to the egg production sector).

Poultry production is characterized by a high degree of supply chain integration. Year after year there is a greater concentration of operators, generating benefits for the entire national poultry sector. There are also small farms supplying a local and proximity market, which allows for a very varied offer for consumers. The majority of the poultry sector is self-sufficient and there is a growing export vocation.

We look forward to welcoming you in Valencia the 22nd September 2023 to present all the opportunities and benefits that our Conference offers to your company and to discover the Valencia Conference Center and our city.

We would like to thank in advance all the companies and institutions that participate, collaborate and contribute to make this scientific event a great success.

Join us at the XVI EPC!

We look forward to seeing you in Valencia.

Moreover, the Valencia Conference Centre is environmentally aware, evidence of this is its rooftop photovoltaic panels which have generated over 3 million kWh since they were installed in 2008.

This application, properly executed by Applicant (Exhibitor) shall, upon written acceptance and notification of booths assigned by EPC 2024 Organizing Committee, constitute a valid and binding contract.

1. Assignment of Space

Assignment of space to exhibitors and those making application will be made in the order of email date.

EPC 2024 will continue to receive applications and assign exhibit space, as it remains available, until shortly before the exhibition opening date.

In all cases, total booth payment must be received prior to exhibition opening. EPC 2024 assignment of booths is final and shall constitute an acceptance of the Exhibitor’s offer to occupy space.

After assignment, space location may not be changed, transferred or cancelled by the Exhibitor except upon written request and with the subsequent written approval by EPC 2024.

EPC 2024 Organizing Committee reserves the right to reassign Exhibitor space or to modify floor plan for overall benefit of the exhibition.

2. Subletting Space

No exhibitor will assign, sublet, or apportion the whole or any part of the space allotted to him, nor exhibit therein, nor permit any other person or party to exhibit therein, any other goods, apparatus, etc. not manufactured or distributed by the Exhibitor in the regular course of his business except upon prior written consent of the EPC 2024 Organizing Committee

3. Payment Requirements and Cancellation Charges

Applications require a 50% deposit before final booth assignment is confirmed in writing. All applicants who contract after 1 October 2023 must be paid in full by 1 March 2024. All applications received after 1 March 2024 must be accompanied by full payment. All cancellations must be made in writing and will be based on the following schedule of refunds: Space reductions are considered cancellations and may be subject to cancellation fees.

On or before 1 March 2024, 50% of total booth cost, less a €100 service fee, will be refunded. After 1 June 2024, no refund will be permitted. Noshow exhibitors will receive no refund. It is understood that EPC 2024 reserves the right, at its option, to reassign a cancelled booth regardless of the cancellation rate assessed. In the event that the premise in which the EPC 2024 Organizing Committee Exhibition is conducted shall become, in the sole discretion of EPC 2024 Organizing Committee, unfit for occupancy, or substantially interfered with by reason of any cause or causes not reasonably within the control EPC 2024 Organizing Committee, this agreement may be terminated by EPC 2024 Organizing Committee. Should EPC 2024 Organizing Committee terminate this agreement pursuant to the provision of this paragraph the Exhibitor waives any and all claims for damages and agrees that EPC 2024 Organizing Committee may, after computing the total amount of EPC 2024 Organizing Committee cost and expenses in connection with its preparation for and conducting of the EPC 2024 Organizing Committee Exhibition, (including a reasonable reserve for claims and other contingencies) refund to each exhibitor the amount paid for the space, less a proportionate share of all the expenses incurred by EPC 2024 Organizing Committee.

4. Set-up and dismantling of the exhibition stand:

A representative shall man the exhibit space during the entire time the Exposition is officially open. The exhibition space must be kept clean and tidy throughout the duration of the Exhibition. Once your reservation is confirmed, you will be given a schedule for the set-up and dismantling of your booth and materials to be exhibited. Failure to comply with this rule, including early dismantling, will result in a fine of 500 (Euro) and may jeopardize the exhibitor’s space allocation or his right to exhibit at future conferences sponsored by the EPC 2024 Organizing Committee.

5. Loss or Damage

Exhibitor agrees that EPC 2024 Organizing Committee shall not be liable for any damage or liability of any kind or for any loss, damage or injury to persons or property during the term of this agreement, from any cause whatsoever by reason of use, occupation and enjoyment of exhibit space by Exhibitor or any person thereon with the consent of Exhibitor, and that Exhibitor will defend, indemnify and save harmless, EPC 2024 Organizing Committee from all liability whatsoever, on account of any such damage, or injury, whether or not caused by negligence or breach of an obligation by Exhibitor or its employees or representatives.
